# B.A.D. = Belief, Action and Determination

## B.A.D. IS A WAY OF LIFE!

Forming a friendship while working at community colleges, Frank Kitchen and Rodger Campbell assisted thousands of students and professionals on the road to personal and professional success. Challenged by these individuals, they developed the popular keynote **“Are you a B.A.D. A.P.P.L.E.?”** What began as a challenge has turned into an adventure that has taken them from writing notes on napkins to performing in front of audiences large and small around the world!

The BAD BAD Apples have a menu full of experiences that offer the sweet taste of success to individuals and groups. Every interactive experience is designed to work as a keynote, training session, workshop or coaching opportunity.
